

# Van Care Instructions

To ensure the longevity of your van and maintain warranty conditions, please follow these guidelines:

## 1. Cleaning

- Do not use high-pressure water or hosepipes.
- Avoid harsh chemicals that may damage surfaces.
- Clean with mild detergents and a soft cloth.

## 2. Loading

- Do not drop heavy loads (e.g. frozen items) onto the van floor.
- Always lower items gently to avoid damage.
- Secure all loads during transit to prevent movement.

## 3. Warranty Notice

- Damage caused by dropped or unsecured loads will void the warranty.
- This includes damage to the floor surface, insulation and seals.
